06-04-2021

Dear Parents/Students,

“Without your involvement you can’t succeed, with your involvement you can’t fail”. This quote of our former president, Dr. APJ Abdul Kalam, befits the occasion as we are getting ready to begin another academic year in the midst of many uncertainties due to covid 19. As people began to resume their normal life pattern, we are alarmed by the 2nd phase of corona. We hear about lockdown, cancellations of exams, shutting down of educational institutions once again due to the sudden spike of covid 19 cases across the country.

With such uncertainties rolling around, we have to continue our teaching-learning process. We have the following arrangements for the classes in new session.

- 07 April 2021 - New Academic Year begins for LKG to XII**
- Classes IX to XII - Regular classes in the school (07.20 AM- 12.30 PM)**
- Classes VI to VIII - Online live classes (no recorded videos will be published)**
- Classes III to V - Online live classes (recorded class videos will also be published)**
- Classes LKG to II - Recorded class videos will be published.**

Details to access the live classes and recorded videos and PDF notes through our website will be shared in the whatsapp broadcast group by the class teacher. **KINDLY SAVE THE MOBILE NUMBER OF YOUR CLASS TEACHER GIVEN BELOW BEFORE 4.00 p.m TODAY (April 6).**

Please find attached the class schedule for all the classes.

As we begin the new Academic Year with great hope and enthusiasm, I look forward to your wholehearted support and collaboration to make teaching and learning fruitful and effective. Please remember, “If you want to succeed, you must make your own opportunities as you go”. LFS teaching Fraternity wishes all our students best wishes and God’s blessings.
