## NOTICE

Dear Parents,

Greetings from Little Flower School, Rapti Nagar. All of us are very well aware of the effects of Covid 19 and the consequent lock down in our nation. It is to be appreciated that even during the lock down, our teachers did not let your children down. They are rendering their valuable service to the students through online classes even during the lock down.

It is to be noted that ever since the lock down none of the parents could make the payments of the school fees. I wish to let you know that school needs fees to make basic payment to its staff who teach and take care of your wards. Therefore, I request and remind you to pay the fees of your wards so that school employees get their salaries and they continue rendering their service happily.

In the context of Covid 19 global pandemic, school has decided **NOT TO INCREASE FEES** this year. You are reminded to pay the same fees you paid in the last Academic year. The school fees are to be paid in **4 INSTALLMENTS**. If there is a major financial difficulty, parents can also make payments in **12 INSTALLMENTS** this year.
