Sub: Submission of Textbooks/Notebooks in the school for correction

Dear Parents/Students,

Greetings from Little Flower School!

Sometime in the last week of March 2020, the Central Government declared Lockdown in our country and since then schools and colleges remained shut to contain the spread of the novel coronavirus. Our immediate response to the shutting of school was to switch on to online teaching so that teaching and learning do not get disrupted. It is needless to say that the pandemic has transformed the centuries-old, chalk-talk teaching model to one driven by technology.

We have been making all the efforts possible to teach our students, keep them engaged and rise to the need of the hour by publishing online classes, providing notes and assignments. I place on record the incessant support of the parents in conducting the home exam which was a great success. I believe that these had been of great help to the students.

Now, we would like to make sure that our students complete the notes and assignments regularly and benefit from them. Therefore, I remind the students to **complete all the given works and submit them in the school in the given dates** for the teachers to correct them.

SN	Class	Subjects	Date	Time
