Once upon a time a man had a goose. This goose laid a golden egg everyday. But the man was not happy with this. He grew greedier than ever, till at last he said to himself, "If I kill the goose, I shall be able to have all the eggs at once". He therefore killed the goose. But on looking inside the goose, he found nothing. So the man's greediness made him lose both his goose and the golden egg forever.
